

How the Library and Learning Centre can help you

The Library and Learning Centre team can:	
	Help get you started with your assignment
	Help you to clarify the focus and scope of an assignment topic
	Teach you how to find reliable, relevant information on the subject you are studying
	Provide advice on how to reference
	Provide feedback on some of your references
	Give you advice on how to write academically including sentence structure, grammar and formatting
	Provide you with resources to help you with writing and referencing
	Refer you to specialist support

Please note: we don't offer a full editing/proofreading service, or whole reference list checks.
